

PALLET TRUCK - STAINLESS STEEL

115-449S

OLE ALMEBORG A/S

Pallet truck - Stainless steel

This manual stainless pallet truck is specially made for the food and pharmaceutical industries and in other companies where stringent requirements must be met for hygiene, the environment and thorough cleaning.

PRODUCT DETAILS

- Load capacity: 2000 kg
- Size: 520 x 1130 mm
- Customized configurations available on request
- Hydraulic system
- High-quality product with long lifetime
- Made in Denmark

HYGIENE

- Stainless steel – the risk of bacterial invasion is minimized
- Developed for environments with severe hygienic requirements
- Easy to clean
- Few hiding places for bacteria

SAFETY

- The automatic neutral position valve ensures that when the tow bar is moved slowly, the pallet truck does not lift. If the tow bar is moved quickly, the pallet truck lifts normally

ERGONOMICS

- The steering wheels are fitted on a pivoting axle, which ensures that all three sets of wheels have full contact with the ground and thus are easier to operate
- The wheels in the fork nose are fitted to ensure safe operation across the pallets
