

HIGHLIFTER - PAINTED

116-179/Q

Highlifter - Painted

Capacity:	1000 kg.
Outside width:	560 mm
Fork length:	1200 mm
Fork height lowered:	90 mm
Lift height pr. pump strokes:	
Up to 100 kg:	28 mm
Over 100 kg:	14 mm
Lowering speed :	Variabel
Steering wheels:	Poly
Load wheels:	Nylon
Weight:	122 kg.

This painted highlifter is ideal for workplaces where many lifts are carried out during the day. The highlifter ensures excellent working postures as it is possible to adjust to an ergonomically correct working height by raising or lowering the load.

With manual og electrical lift.

Load capacity: 1000 kg.

Our highlifter with manual lift function has a 'Quick' boost function ideal for loads under 100 kg.

The electrical highlifter pallet truck is recommended to workplaces with many lifts during the day.

On both models, the load is lowered with a single grip in the lowering handle either slowly or quickly, the lowering valve providing an infinitely variable lowering speed.

This highlifter has been used as internal handling equipment in production and distribution companies for many years.
