

## **SALES AND DELIVERY TERMS**

### **WARRANTY CONDITIONS (valid from 1 January 2016):**

The warranty covers material and assembly defects which, subject to inspection by us or our representative, are deemed to be faults or deficiencies that prevent normal use of the parts concerned. Such affected parts shall be sent to us carriage paid within 2 years after delivery. For the Basic products, the warranty is 1 year. The warranty does not cover normal wear and adjustments.

The warranty period is based on single shift operation. By two-shift operation the warranty period is halved, and by three-shift operation reduced to 1/3.

### **THE WARRANTY SHALL NO LONGER APPLY IF**

- the product has been used incorrectly,
- the product is used in environments for which it was not designed,
- the products have been overloaded,
- replacements of parts have been made incorrectly or original parts have not been used and consequential damages have arisen,
- the fulfilment of the required service intervals according to our Instruction Manual by a qualified technician cannot be proved,
- the product is changed or accessories, not being approved by Ole Almeborg A/S, are used.

The dealer is responsible for carrying our repairs and for having sufficient stocks of spare parts to replace defect components when claims under the terms of the warranty are made.

### **PRODUCT LIABILITY**

Ole Almeborg A/S is insured for product liability but is only liable to the extent that responsibility may be placed on us. ### **DISPATCH**

Unless otherwise stated delivery shall be ex works (INCOTERMS 2010). Transport insurance is to be contracted by the seller.

### **DELIVERY**

The purchaser is not entitled to compensation or cancellation on the grounds of any delay in delivery unless specific agreement on this point has been reached. All orders are accepted with the customary reservation for strikes, depreciation of the Danish krone, lockouts, the state of war, state intervention, the delay or non-arrival of supplies from subcontractors, etc.

### **AGREEMENTS FOR PAYMENT**

If, in the seller's opinion, the solvency of the purchaser deteriorates after an order has been given, the seller is entitled either to withhold the goods in question or to demand pre-payment before carrying out the order. In addition, the regulations in our instruction manual apply to all deliveries.
